14. [REDACTED] ADMINISTRATIVE Called Mr. James Stimpson, OMB, regarding his suggestions to [REDACTED] that we make certain changes in our prepared statement before the Senate Judiciary Subcommittee on Administrative Practice and Procedure tomorrow. I told Stimpson that the statement was completed and ready to go to the Subcommittee and I felt we had adequately covered the points which he raised in slightly different words. After going over these items individually, Stimpson agreed but made it clear that we should not take a position with the Subcommittee which would be construed as support for Chairman Edward M. Kennedy's (D., Mass.) bill, S. 2515.

3. (Unclassified - WPB) LEGISLATION Jim Stimpson, OMB, called to comment on a portion of our prepared testimony on S. 2515 (testing on human subjects), which we had forwarded to him earlier in the day. He requested that we make our support for a Commission more conditional in view of the fact that HEW was opposing the creation of the Commission proposed in S. 2515.

4.  LEGISLATION Talked to Ann Stone, OMB, concerning S. 2515 (testing on human subjects). She told me the Administration had not yet settled on a position, but that it appeared that HEW was opposing it because it would disrupt the already existing temporary commission on biomedical and behavioral testing.

21. (Unclassified - DFM) LEGISLATION Talked to Hilda Schreiber, OMB, twice during the day regarding the Agency's views on the Civil Service Commission's comments on H. R. 2351. The bill would replace present Section 5 U.S.C 7501, which deals with adverse governmental personnel actions. Although the Section of the Code is entitled "Competitive Service," the language of the bill would include any employee of an Executive agency. The Commission's letter noted this and opposed the extension of this Section to employees of the excepted agencies. I told Schreiber we agreed with this objection, but requested that the Commission's paragraph dealing with this be strengthened and gave her some suggested language to do so.
